Wilson Legal Solutions Signs Agreement with Thomson Reuters Elite to Be Exclusive Design Gallery Services Partner

Exclusive Three-Year Agreement to Benefit Users of Design Gallery Solution in North America

Newtown Square, PA (Feb. 5, 2014)... Wilson Legal Solutions today announced a partnership agreement with Thomson Reuters Elite, a leading global provider of enterprise business management systems to professional services firms. The two companies have signed a three-year agreement naming Wilson Legal Solutions as Elite's exclusive services partner in North America for Design Gallery, a document automation solution.

With extensive experience in the legal industry, Wilson Legal Solutions help clients leverage their investments in Elite practice management and business intelligence software. A Certified 3E Services Partner, Wilson Legal Solutions' newly strengthened partnership extends Elite's capacity to better meet growing client demand for Design Gallery support.

"We've aided many law firms with the implementation, customization, and use of the Design Gallery solution," said Bruce Wilson, managing director and CEO of Wilson Legal Solutions. "Now, as Elite's exclusive partner for Design Gallery, we can formalize this service offering to help clients fully realize the benefits of automated billing and reporting processes."

"This new deal with Wilson Legal Solutions is an exciting opportunity to enhance our services and better meet client needs in the North American market with a trusted partner," said Elisabet Hardy, vice president of Thomson Reuters Elite. "Elite and Wilson Legal Solutions continue to be connected throughout the sales process, working together to provide the highest and most efficient level of service to Design Gallery clients."

Design Gallery streamlines the collection, conversion, and distribution of data within Thomson Reuters Elite 3E and Enterprise systems. The solution enables law firms to take data from enterprise software and transform it into a variety of formats for quick and efficient distribution to support specific and often varied business processes.

The Thomson Reuters Elite Global Strategic Alliance Program provides a one-stop global marketplace that fosters cooperation, streamlines the buy-sell cycle and helps all involved achieve a competitive edge. Elite partners are experienced technology, services and consulting organizations ready to innovate, collaborate and help our clients solve their most pressing business challenges.
