Wilson Legal Solutions Named to the Inc. 5000
with Three-Year Sales Growth of 471%

NEWTOWN SQUARE, PA (September 8, 2014)... Wilson Legal Solutions, a provider of software and services to enhance law firm profitability and productivity, is pleased to announce its ranking on the 33rd annual Inc. 500|5000, an exclusive ranking of the nation's fastest-growing private companies. With a three-year growth rate of 471%, Inc. magazine has ranked the company at number 957.

"This is our second year running to earn a spot on Inc.'s list," says managing director and CEO Bruce Wilson. "We've grown organically since our beginning and are optimistic about the years ahead. We expanded our operations into the United Kingdom, plus we've shifted our business model to focus not only on software services but on product sales as well. We believe these developments further our ability to serve as a trusted technology partner to law firms worldwide. "

In June 2014 Wilson Legal Solutions introduced the Wilson Analytics Professional solution, which enables in-memory analysis and queries of Thomson Reuters Elite 3E data. The solution provides fast, secure, and mobile access to Elite 3E data using Excel, Power Pivot, and Power View. In the same month, Wilson Legal Solutions opened an office in central London to strengthen its ability to support law firms with global operations.
